Academic Year 2015-2016

1. **Class Etiquette:**
   > When you get into the classroom, please turn off your cell phone and put your phone away, in your backpack or your purse. Cell phone use should only be for contacting models or working on class assignments.
   > Do not eat or drink in the sewing labs. Please keep food and drinks away from the cutting tables, drafting tables, etc. so that no accidents happen.
   > Please do not sleep during class time. If you are very tired or ill, please go home and get the rest that you might need.
   > Please clean up after yourself, and make sure that you don’t leave anything important behind you when you leave.
   > No headphone or radio use by students during class time without instructor approval.
   > No use of any tobacco products during class; this includes smokeless tobacco.
   > No children are allowed in the classroom (nothing in our classrooms are child-proof!) If you need to stay at home with your child, please email me (lkidd@siu.edu) and let me know your circumstances.

2. **Attendance:** Attendance in classes is mandatory. Please contact the instructor as soon as possible if you miss a class. If you have to miss a class, it is your responsibility to get any missed information, etc. from another student. The instructor will not give you copies of her lectures or power point presentations. If you miss three or more class periods, it is advised that you drop the course. Please refer to the individual course syllabus for additional information.

3. **Make-Up Assignment or Test Policy:** If you miss a test or the due date for a class project, you must contact the instructor within 12 hours of the missed class time. If you do not contact the instructor within that 12 hour period, you will not be allowed to make up the test or hand in the project. The instructor will evaluate any other extenuating circumstances in the event that the student cannot contact the instructor within that 12 hour period.
   Make sure if you have medical documentation for an absence that you bring it to the instructor.

4. **Incomplete/WF Policy:**
   > **Incompletes:** A grade of I (Incomplete) is given only under extraordinary circumstances. Each request will be considered on an individual basis. Incompletes can only be given if the student is doing passing work (a C or better) at the time that the incomplete is requested. You have one calendar year to complete an Incomplete, otherwise it turns automatically into an F. It is the responsibility of the student to take care of his or her incomplete grade status.

   > **Withdrawal from Class:** It is the responsibility of the student to start the process for an official withdrawal from class. If a student just stops attending a class without officially withdrawing from the class before the tenth (10th) week of classes, the instructor may assign a grade of WF, along with noting the last day of attendance in the course. This is a grade designation that is computed as an F in the students GPA, and may affect your financial aid eligibility. If you do not wish to continue in a course, please see your advisor immediately so that you can officially withdraw from the course.

5. **Changes in Course Syllabus:** If a change in syllabus needs to be made, changes will be announced during scheduled class times, either orally or in a memo. Usually, the types of changes that may be expected are modifications in lecture topics (i.e., pushing a lecture up, or pushing a lecture back), changes in exam or project due dates (usually to a later date), or elimination of selected projects or project requirements.

6. **Other Information:** Additional course policies (regarding such items as student conduct, grading, and plagiarism) as set by the University are available online at http://studentlife.siu.edu/Documents/Info%20Booklet%20FINAL%20for%202012-2013.pdf,
Southern Illinois University Carbondale is committed to providing a safe and healthy environment for study and work. Because some health and safety circumstances are beyond our control, we ask that you become familiar with the SIUC Emergency Response Plan and Building Emergency Response Team (BERT) program. Emergency response information is available on posters in buildings in Quigley Hall and elsewhere on campus, available on the BERT’s website at www.bert.siu.edu, Department of Public Safety’s website www.dps.siu.edu (disaster drop down) and in the Emergency Response Guidelines pamphlet. Know how to respond to each type of emergency.

Instructors will provide guidance and direction to students in the classroom in the event of an emergency affecting your location. It is important that you follow these instructions and stay with your instructor during an evacuation or sheltering emergency. The Building Emergency Response Team will provide assistance to your instructor in evacuating the building or sheltering within the facility.

If an evacuation of Quigley Hall is required during an emergency, ALL School of Architecture students, faculty, and staff (from all three programs) are to gather ASAP after exiting in the grassed area east of the Quigley Courtyard and covered walkway area to determine if there are people unaccounted for at that particular time. There are SoA faculty members that are part of the SIUC Quigley Hall BERT Team (Wojnarowski, Frisch, Kidd) who will be facilitating the necessary emergency procedures. There are BERT Posters located in numerous public areas throughout Quigley with Quigley Team emergency phone numbers. Do not hesitate to call 911 if you have any sense of emergency and there isn’t a faculty or staff person available to immediately assist – There are highly qualified and prepared professionals to make a response decision and to give you advice over the phone.

WITHDRAWAL POLICY – Undergraduate only
Students who officially register for a session may not withdraw merely by the stopping of attendance. An official withdrawal form needs to be initiated by the student and processed by the University. For the proper procedures to follow when dropping courses and when withdrawing from the University, please visit http://registrar.siu.edu/pdf/upgrade/stand1114.pdf

INCOMPLETE POLICY – Undergraduate only
An IGC is assigned when, for reasons beyond their control, students engaged in passing work are unable to complete all class assignments. An IGC must be changed to a completed grade within one semester following the term in which the course was taken, or graduation, whichever occurs first. Should the student fail to complete the course within the time period designated, that is, by no later than the end of the semester following the term in which the course was taken, or graduation, whichever occurs first, the incomplete will be converted to a grade of I and the grade will be computed in the student’s grade point average. For more information please visit: http://registrar.siu.edu/grades/incomplete.html

REPEAT POLICY
An undergraduate student may, for the purpose of raising a grade, enroll in a course for credit no more than two times (two total enrollments) unless otherwise noted in the course description. For students receiving a letter grade of A, B, C, or F, the course repetition must occur at Southern Illinois University Carbondale. Only the most recent (last) grade will be calculated in the overall GPA and count toward hours earned. See Full policy at http://registrar.siu.edu/pdf/usadatadetail114.pdf

GRADUATE POLICIES
Graduate policies often vary from Undergraduate policies. To view the applicable policies for graduate students, please visit http://gradschool.siu.edu/about-us/grad-catalog/index.html

DISABILITY POLICY
Disability Support Services provides the required academic and programmatic support services to students with permanent and temporary disabilities. DSS provides centralized coordination and referral services. To utilize DSS services, students must come to the DSS to open cases. The process involves interviews, reviews of student-supplied documentation, and completion of Disability Accommodation Agreements. http://disabilityservices.siu.edu/
