Course Policies

1. Attendance is mandatory! Points are given for each day of attendance, in order to earn these points you must arrive to class on time with all the required materials. You must put away any items you used at the end of class and clean up your workspace. Arriving late or leaving early, and not cleaning will result in a deduction of attendance points. If you have to miss a class, it is your responsibility to get any missed information, etc. from another student. 3 late arrivals will count as an absence. All demonstrations begin at the beginning of class - students are responsible to make up any missed information or work.

2. Make-Up Assignment Policy: If you miss the due date for a class project, you must contact the instructor within 24 hours of the missed class time. If you do not contact the instructor within that 24 hour period, you will not be allowed to make up the test or hand in the project. The instructor will evaluate any other extenuating circumstances in the event that the student cannot contact the instructor within that 24 hour period.

Make sure if you have medical documentation for an absence that you bring it to the instructor.

3. Excused absences included:
   a. Personal illness or injury: must be documented by doctor’s excuse incorporating exam or project date.
   b. Family Emergency:
      i. Death in the family
      ii. Parent, child, sibling, or spouse in hospital (must provide documentation incorporating exam or project date)
      iii. Child is ill (must provide medical documentation incorporating exam or project date)
   c. Participation in a SIU sanctioned event in which you are to officially represent SIU. Require documentation from team or other type of SIU supervisor to whom you report.

4. No cell phones during class, except emergency situations; instructor should be notified in advance. If you are caught texting during class the cell phone will be taken until the end of the class on that day or you will be asked to leave and attendance points deducted for the day. Phones must be silenced completely, no vibration.

5. No head phones or personal music in class. If you miss an announcement or instruction because you have your ears plugged, it is your responsibility to obtain missing information from a fellow student. If determined acceptable, the instructor will provide music for the whole class.

6. No food or drink is allowed in the sewing lab or computer lab. Other students use this space; we cannot take the risk of something getting on their projects or yours, as this would result in point deduction.

7. Open labs are offered during the semester, this is extra time that you can work on your projects. You cannot bring friends, children, or significant others. Models will be allowed only as needed for fittings.

8. If you are using a machine or piece of equipment and you have problems, please notify an instructor. If you have not been serger certified you may not use the sergers until that process is complete.

9. Always unplug irons at the end of class.

10. Never leave an iron setting plate down on a surface, they are very hot and can damage the surface. This could also result in a fire.

11. Label all of your supplies; it is your responsibility to keep track of your things.

12. Always be considerate and courteous to your classmates.

13. Scrap material large enough to be used for something should be folded and neatly put away.
14. Never mark on dress forms, use pencil when marking on muslin so it will not bleed through onto the dress form.

15. Never remove work from a dress form without permission.

16. Always put away your machine when done, make sure foot pedal is up off the floor.

17. Do not waste material, interfacing, or pattern paper. This helps us to keep the cost of lab fees down.

Incomplete/WF Policy:

Incomplete: A grade of I (Incomplete) is given only under extraordinary circumstances. Each request will be considered on an individual basis. Incompletes can only be given if the student is doing passing work (a C or better) at the time that the incomplete is requested. You have one calendar year to complete an Incomplete; otherwise it turns automatically into an F. It is the responsibility of the student to take care of his or her incomplete grade status.

Withdrawal from Class: It is the responsibility of the student to start the process for an official withdrawal from class. If a student just stops attending a class without officially withdrawing from the class before the tenth (10th) week of classes, the instructor may assign a grade of WF, along with noting the last day of attendance in the course. This is a grade designation that is computed as an F in the students GPA, and may affect your financial aid eligibility. If you do not wish to continue in a course, please see your advisor immediately so that you can officially withdraw from the course.

18. Changes in Course Syllabus: If a change in syllabus needs to be made, changes will be announced during scheduled class times, either orally or in a memo. Usually, the types of changes that may be expected are modifications in lecture topics (i.e., pushing a lecture up, or pushing a lecture back), changes in exam or project due dates (usually to a later date), or elimination of selected projects or project

**Other policies can be added if determined necessary by the instructor or department.**

**QUIGLEY HALL EMERGENCY RESPONSE PROCEDURES**
Spring 2014

Southern Illinois University Carbondale is committed to providing a safe and healthy environment for study and work. Because some health and safety circumstances are beyond our control, we ask that you become familiar with the SIUC Emergency Response Plan and Building Emergency Response Team (BERT) program. Emergency response information is available on posters in buildings in Quigley Hall and elsewhere on campus, available on the BERT’s website at www.bert.siu.edu, Department of Public Safety’s website www.dps.siu.edu (disaster drop down) and in the Emergency Response Guidelines pamphlet. Know how to respond to each type of emergency.

Instructors will provide guidance and direction to students in the classroom in the event of an emergency affecting your location. It is important that you follow these instructions and stay with your instructor during an evacuation or sheltering emergency. The Building Emergency Response Team will provide assistance to your instructor in evacuating the building or sheltering within the facility.

If an evacuation of Quigley Hall is required during an emergency, ALL School of Architecture students, faculty, and staff (from all three programs) are to gather ASAP after exiting in the grassed area east of the Quigley Courtyard and covered walkway area to determine if there are people unaccounted for at that particular time. There are four SoA faculty members that are part of the SIUC Quigley Hall BERT Team (Brazley, Frisch, Kidd, White, and Wojnarowski) who will be facilitating the necessary emergency procedures. There are BERT Posters located in numerous public areas throughout Quigley with Quigley Team emergency phone numbers.

Do not hesitate to call 911 if you have any sense of emergency and there isn’t a faculty or staff person available to immediately assist ~ 911 Staff are highly qualified and prepared professionals
to make a response decision and to give you advice over the phone.

An undergraduate student may, for the purpose of raising a grade, enroll in a course for credit no more than two times (two total enrollments) unless otherwise noted in the course description. For students receiving a letter grade of A,B,C,D, or F, the course repetition must occur at Southern Illinois University Carbondale. Only the most recent (last) grade will be calculated in the overall GPA and count toward hours earned. See full policy at http://registrar.siu.edu/catalog/undergraduategocataglog.html
