

# Architectural Studies Curriculum Three-Year Plan for Transfer and Change of Major Students

Core Curriculum course requirements must be met per university and program requirements. Enrollment in the option is limited to students in Architecture and Interior Design.

## Year 1

<u>Summer Semester</u>	<u>Credit Hours</u>
ARC 121 Design Communication I	4
ARC 122 Design Communication II	4
<u>Fall Semester</u>	
ARC 231 Architectural History I	3
ARC 251 Design I: Concept	4
ARC 271 Computers in Architecture	3
<u>Spring Semester</u>	
ARC 232 Architectural History II	3
ARC 242 Building Technology I: Wood	3
ARC 252 Design II: Order	4

## Year 2

<u>Fall Semester</u>	
ARC 341 Building Technology II: Masonry & Concrete	4
ARC 351 Design III: Context	5
ARC 361 Structures I: Statics & Steel	3
ARC 381 Environmental Design I: Site Planning	2
<u>Spring Semester</u>	
ARC 342 Building Technology III: Steel	4
ARC 352 Design IV: Complexity	5
ARC 362 Structures II: Wood & Concrete	3

## Year 3

<u>Fall Semester</u>	
ARC 451 Design V: Urban Des. & Community	6
ARC 481 Environ. Design III: Energy & Systems	3
<u>Spring Semester</u>	
ARC 452 Design VI: Integration	6
ARC 462 Structures III: Analysis & Lateral Forces	3
ARC 482 Environmental Design II: Light & Acoustics	3
