

Master of Architecture Online Curriculum Plan

FOR STUDENTS WITH A FOUR-YEAR PRE-PROFESSIONAL DEGREE

This curriculum is for students who hold a four-year Bachelor of Science in Architectural Studies or its equivalent. Students in this curriculum must have at least 126 hours of credit in their undergraduate program. Students who have less than 126 hours of credit will be required to add additional coursework to bring the total of hours earned for the M. Arch. degree to at least 168 hours.

Fall 1

ARC 550, Regional Studio.
ARC 532, Global Traditions.
ARC 500, Research Methods.

Spring

ARC 551, Comprehensive Studio.
ARC 591, Pro Practice I.
ARC 541, Energy & Systems.

Summer

ARC 552, Thesis I. Taken for 8 weeks (full length of summer term).

Fall 2

ARC 554, Thesis II.
ARC 592, Pro Practice II.
Elective Course.

This program is designed for students wishing to pursue the degree as a full-time graduate student. It is possible to pursue the degree at a slower pace, but students are cautioned that course sequencing and prerequisites may mean a delay of a year while waiting for a course to be scheduled again. Graduate students must maintain enrollment in all fall and spring terms until the degree is complete. Students who are out-of-sequence may need to take additional courses to meet this requirement.

To be billed at the online program rate, students must enroll in online sections of the courses. Students who wish to take a course on-campus may do so but will be billed at the appropriate tuition rate for the course.
